ADDITIONAL EDUCATIONAL/MEDICAL NEEDS

At Nelmes Pre-School we aim to work in partnership with parents and carers to meet the needs of each individual child. We acknowledge that some children may require additional support to thrive during their time with us. To be able to provide this, it is extremely important that parents and carers share any diagnosis or concerns that they may have. This will allow us to work together to agree on the best strategies to meet the needs of the child. This may include a medical care plan and/or reduced session times.

If your child has any medical diagnosis OR you have any concerns that they may not be meeting normal developmental milestones OR you have concerns that they may have Special Educational Needs, please provide details below:
